

PRESCHOOL PROGRAM

Mommy, Daddy & Me • 3 Year Intro • 4 Year Intro • Kindergarten

Introducing dance to young children is an honor and a responsibility we assume with enthusiasm and professionalism. We respect each child's individuality and strive to make the first experiences with dance POSITIVE and FUN!

We offer different courses based on age. Each class is designed to meet the individual needs of its students while taking into account their emotional maturity, attention span, and developmental stage. Every class follows a similar structure and shares similar general goals. The dance activities vary with the age group, with a strong emphasis on musicality and rhythm.

CLASS FORMAT

A typical pre-school class is divided into several short FUN activities. Learning about proper dance etiquette results in self-discipline, friendly cooperation and an important sense of security and trust in the teacher. A variety of music, props, musical instruments, and dance activities are used to make dance class EXCITING!
