Please do not bring children under 3. Children ages 3 and above need their own ticket to enjoy the show.

Frequently Asked Questions:

Will tickets be sold on the day of the show? Yes, if there are still seats available.

Where is the best place to sit? All the seats are good in this auditorium. The balcony will not be open this year.

I'm going to volunteer at a different recital than the one my child is performing in, how can I redeem the free ticket? Once you have handed in your volunteer form you will receive a one-time use discount code that will allow you one free ticket to any show. You will need to choose a show you are not working.

What about handicapped seating? Handicapped seating is available throughout the auditorium, in the front side rows, the back corners and the center of the balcony. In addition, we seat guests with visual disabilities in the front row. Please identify your needs for handicapped seating when purchasing tickets.
